From touring with rock legends to pioneering culinary ventures, Matthew's journey is nothing short of extraordinary. His creative spirit birthed Chef Matthew's Fine Foods, tantalizing Trader Joe's shoppers with chic eats. His artistic flair shone at Sublime Craftwork, where accidental genius led to mesmerizing art.

Pamper and Dine, Matthew's brainchild, used massage with gourmet fare, garnering acclaim from People Magazine to CNN. His voice then graced the airwaves, where he became a beloved radio host, known for his eloquent and insightful banter on food, relationships, and life's many pleasures.

As the digital dawn whispered, Matthew launched the Love Life Radio Network, a pioneer in the online realm, and the Hawaii Chat Universe, celebrated by PC Magazine. His pen then danced across the pages of Hawaii's leading newspaper as a forthright food critic, unafraid to speak the culinary truth.

Matthew's odyssey continued with Hawaii Food Tours, a 16-year adventure that fed, educated, and entertained, leaving an indelible mark on the food tour

industry. Today, his wealth of experience positions him as a beacon for those seeking guidance in achieving their dreams and savoring life's flavors.
